**North Carolina Troops
1861-1865. A Roster**

These volumes are the best rosters of Civil War soldiers published by any state at any time.

- **Acid-Free Paper** The best biographical roster of Confederate soldiers by any southern state. Approximately one-fourth of the soldiers in the Confederate armies were comprised of
- **Sewn Binding**
- **Sturdy Cloth Cover** North Carolina's sixty-odd regiments. Proper credit for this contribution was never
- **Gold Stamping** accorded until the North Carolina Division of Archives and History began this superb series of unit histories complete with thumbnail biographies of each soldier
- **Dust Jacket** based on a variety of sources, including cemetery records and newspaper accounts. A history of each regiment's service is followed by a roster of its officers and men, and their individual records.
